

COLOSSAL

TRAINING

ABOUT COLOSSAL

At Colossal Training we provide a path for your learning experience through the delivery of high quality training courses throughout the UK and worldwide. We guarantee the training you will receive will be to the highest of standards and the skills you learn will be current so as to prepare you for the career path you wish to take.

Colossal Mission - We believe that every student deserves the right to be taught to the very highest of standards and we pride ourselves on being able to back this up by using subject matter professionals who relate to real life experiences and expertise.

COURSE INFORMATION

The STCW Convention and Code as amended by the Manila Amendments (2010) contains new requirements regarding security training. This training is required by all personnel employed or engaged on board ships for which the International Ship and Port Facility Security (ISPS) Code applies.

The course is designed to give those on board ship, who do not have a designated security duty, the essential education and training meeting the knowledge, understanding and proficiency requirements in support of Chapter XI-2 of the annex to the International Convention for the Safety of Life at Sea (SOLAS) 1974, as amended and the International Ship and Port Facility Security (ISPS) Code.

Each student will also receive a handbook to assist your learning throughout the course.

Upon successful completion of the course students will be provided with a MCA approved Proficiency in Security Awareness certificate.

ASSESSMENT

Candidates are assessed by multiple choice examination.

Proficiency in Security Awareness (PSA)

Course duration: 4 hrs

The course includes tea/coffee.

Option 1 - £90 + VAT per student

Students have the option to attend and complete the course within one 4 hour session.

Option 2 - £60 + VAT per student

Students can complete this training as a 4 hour distance learning course, attending our training centre for their written exam only.

Proficiency in Security Awareness Learning Objectives:

- An awareness of the importance of ship security and the roles of those involved in its provision
- An awareness of the requirements and measures needed to maintain ship security
- An ability to recognise and report a security threat

Upon booking individuals will receive comprehensive joining instructions and details of our recommended local hotel which offers a preferential rate for Colossal students.
